Some rambling from ~~the Author~~ Red

Red ~ Sup, Well uhm.. Sorry for the delay, its my fault. --, Well since I was out raiding last weekend I didn't have time to do a real QC of this, so I released a early version, for you who noticed, but now its QCed an all! :D

So my reason for being late on this? Uhm.. lets say alcohol in a combination of a sauna, snow and 15 guys (and one girl =_=;) running naked through a restaurant (twice) had something to do with it. My ass still hurts after tripping in the stairs that night... >_>

Oh and Btw, we're continuing with GL.. as long as you guys show appreciation by leaving a comment, so please do. :D
- And please check out the new site if you havent already. ^^
